1. How and where can we all contribute to the assessment
 - a. TORs
 - b. Diet data – analysis timing, goals (descriptive, forage fish index?)
2. Data template – any additions, deletions, edits?
3. Follow-up from previous meeting
 - a. Call for additional data - how best to advertise (ASMFC-only press release, joint ASMFC-NEFSC press release, other, etc.)
 - b. Progress on NEFSC data access (survey data and observer tables; Tony)
 - c. 508 compliance MS Word document template (Michele)
 - d. NDAs – we just need your signature and supervisor’s signature. Michele will take care of the remaining signatures.
4. Plan for our next call
5. Other?
6. Public comment
