

## Draft Alaska Salmon Research Task Force (AKSRTF)

<b>Agenda November 14, 2023 Theme: Existing Knowledge and Gaps</b>		
<b>Time (AKDST)</b>	<b>Topic</b>	<b>Speaker/ Lead</b>
9-9:15	Welcome, introductions, agenda review	
9:15-9:30	Update on Task Force progress and schedule	Ed Farley, Chair
9:30-10:30	Research and Data Gaps	
10:30-10:45	Break	
10:45-11:15	Research and Data Gaps continued	
11:15-11:45	AYK WG update	Katie Howard and Daniel Schindler
11:45-1:00	Lunch Break	
1:00-4:30	Public comment/questions specific to: 1) What information or data (e.g., salmon migration, seasonal distribution, abundance and trends etc.) would you like to make the Task Force aware of? 2) What are the data/research gaps you believe should be addressed for understanding productivity trends in Alaska salmon?	
4:30-5:00	Next Steps, Actions and Wrap up

## Draft Alaska Salmon Research Task Force (AKSRTF)

<b>Agenda November 15, 2023 Theme: Research Needs</b>		
<b>Time (AKDST)</b>	<b>Topic</b>	<b>Speaker/ Lead</b>
9:00-9:10	Agenda review	
9:10-10:30	<b>Research Needs Presentations / Discussion</b>	
10:30-10:45	Break	
10:45-11:45	<ol style="list-style-type: none"><li>1. What additional research is needed to improve understanding of Alaska salmon productivity and abundance trends?</li><li>2. Initial discussions on priority, need, value, or payoff?</li></ol>	
11:45-1:00	Lunch Break	
1:00-4:30	Comments and questions specific to: <ol style="list-style-type: none"><li>1) What additional research is needed to improve understanding of Alaska salmon productivity and abundance trends?</li><li>2) What does a coordinated salmon research strategy that addresses increased variability or declines in Pacific salmon returns to Alaska look like to you?</li></ol>	
4:30-5:00	Next Steps, Actions and Wrap up
