Meeting number: 2760 777 8440

Meeting Password: uHh9CGxMf85

Join by phone +1-415-527-5035 US Toll

Access code: 276 077 78440

9:00 am – 2:00 pm (we will take a 15 minute break when needed)

1. Volunteer for note taking
2. “Bridge Building” – Review lineup of the final 2021 management track ASAP run with a run in WHAM (no data changes)
 - a. This will allow the WG assess how WHAM modeling run/results compare to the traditional ASAP modeling run/results
 - b. Evaluate information to determine if moving away from ASAP is prudent
3. Review effects of updated data inputs (ages, cpue) through 2020 for a candidate WHAM run
4. Next modeling meeting (February 2, 2024)
 - a. Briefly discuss topics for discussion
5. Public comment
6. Other?
